Our services.

Housing

Home Repairs Program

In partnership with Habitat for Humanity, we provide a Home Repairs program for whaanau who need urgent and necessary repairs and need support to cover the costs.

For more info, contact us at housing@tainui.co.nz

Housing Developments

We have Social Housing and Affordable Rental housing developments in the pipeline.

For more info, contact us at housing@tainui.co.nz

Financial Literacy Workshops

We are currently delivering a series of “Managing your Money” waananga. Our waananga aim to tautoko, educate and provide resources that will support you with your money goals.

For more info, contact us at housing@tainui.co.nz

Housing Data

We are working to create affordable housing opportunities for our members. To do this, we are focused on capturing relevant data from our tribal members to inform future housing projects.

For more info, contact us at housing@tainui.co.nz

Our services.

Business

Puna Pakihi

This is our tribal business network with over 290 businesses. It's our primary contact database where we share business opportunities and support options for our pakihi.

Register @ waikatotainui.com/puna-pakihi/registration/

Social Procurement

We continue to deliver our strategy to create more financial opportunities for our tribal talent through our procurement.

For more info, contact us at enterprise@tainui.co.nz

Business Support

We provide networking and educational events and provide advocacy and support to our tribal businesses.

For more info, contact us at enterprise@tainui.co.nz

Marae Economic Development

If your Marae has a business idea, we can support you to navigate the right pathways to get it off the ground.

For more info, contact us at enterprise@tainui.co.nz

About us.

Whanake is one of the teams that sits within the Oranga Group. We are responsible for delivering initiatives that support the economic growth of our tribal members and Marae.
